

## Criteria for looking at MSL Student German Trips

January 2010

### Position:

The German Immersion Foundation will support Milwaukee School of Languages German student trips where the purpose of the trip is to improve the student's German language skills through speaking German, attending school attendance and/or a home stay and experiencing German culture.

The following items will be looked at in association with the trip to determine if it meets the goal set by the foundation for partial funding of student trips. This funding will not include airfare or hotel stays for the students but for example may be used to fund entrance fees or other associated fees:

- The majority of the trip is spent speaking German.
- The trip should include a home stay with a German- speaking family.
- Arrangements should include attending or visiting a German school.
- Primary destination must be to German speaking countries.
- Trip must include German writing assignments or keeping a journal in German.
